## Update from the Nominating Committee

The Sandy Point Nominating Committee has had three candidates that have come forward so far to serve on the Board of Directors for the term beginning October 2022. There is still time to contact any of the nominating committee members whose names are below if you feel the urge to serve! As a Board member, you will understand the Sandy Point Covenants and Bylaws, and interface with neighbors and other Board members. There will be three Board positions opening this October, for a term of three years. Current Board positions are President, Vice President, Treasurer, Secretary, Building Committee, Architectural Committee, Grounds Committee, and Communications.

Good candidates for the Board are people who have the ability to delve into details while keeping an eye on the big issues. Board

members are willing to spend time reviewing and understanding details of our governing documents. They should also be committed to frequently evaluating and refining the HOA's big picture and plans for the community.

If you have an interest in becoming a nominee for the Sandy Point Board, please contact Susan Oxfurth prior to July 1, 2022. Thank you for considering serving on the Sandy Point Board!

### River Clean Up

The river clean up has been delayed because Jerri has been unable to find workers to hire. She has been able to get two of Quinn's workers to give us a half a day of work to clean up debris. The one dumpster that Keep Indianapolis Beautiful is giving us, will arrive on July 16th. Residents should have small logs on their docks by July 11<sup>th</sup>. in order for our debris boat to get this picked up prior to the dumpster arriving.

Any small branches should be bagged for regular weekly trash pickup.

### Drinks on the Driveway

Thanks to our neighbors for hosting Drinks on Driveway.

Vicki Johnson/Alice Dills (May), and Bren Boulais (June). Thanks also to the Seidel's for the use of their shade!! Fun was had by all!

We would love to see some of our new neighbors host!! If you are interested in hosting, please contact Elaine Caskey, 317-752-1221 or elainescck@aol.com, or Judy Bourquin, 317-501-5407 or judybourquin@live.com

### UP THE RIVER WITHOUT A PADDLE

Several of the boat owners in our community have suggested we organize an informal network of willing participants that agree to be available for any neighbors needing help out on the river – for example: getting stuck on a rock or a sandbar, running out of gas, motor failure, or some other problem that requires someone sailing out to render aid or a tow. These guys will keep a gas can on hand, have some extra ropes, and whatever else might be needed. **The River Rescue Brigade** volunteers we have recruited so far are Jeff Bourquin (317-501-4128), John Ryan (317-625-6293), and David Ward (317-341-1019). Feel free to call them if you need help!

## Just A Friendly Reminder....

From our Property Manager..

The dumpster next to the pool house is for use by our maintenance people for disposal of siding and roofing materials. Please do not use it for your personal discards.

From our Grounds Committee...

Please get approval from Jerri or the Grounds Committee before trimming or cutting of trees in the Common Area. As always, if you believe a tree is dead, diseased or a hazard, we want to know that!

Thanks
